“ *I met Debbie in the 80s, We haven't always kept in close touch but a few years back we reconnected. She hadn't changed, still the sweet Debbie I knew then, we picked up where we left off and talked like it was yesterday. I will be praying for the family. I'm so sorry for your loss.*

“ I was with the family in the passing of their Debbie Small mother, aunt, and friend. There was an abundance of love in the room. Each person was expressing their affection, gratitude and love to her in those moments. There is love in this family.

“ I can't believe my little cousin is gone! We all spent endless days playing together at granny's house when we were young and I treasure that time. She was such a sweetheart and was loved very much.
