“ Jim, you and I knew each other going all the way back to grade school. I was deeply saddened to hear of Deb's passing. I will share with you something that has always brought comfort to me when friends and family have passed away: "A person is never dead so long as they are loved and remembered." My late father wrote this in his 1942 diary as he marched off to WWII. May you be held in the light of love by your friends and family in this difficult time. ~Sally Burnell, Kent, OH, Roosevelt High School class of 1975
