“ Was a great supervisor when I worked for her at GMC and was sad when she left for another department.

She was also a great friend, a fun-loving person, and funny.

The world is now missing a special person, but God has grand plans for her now that she is with him.

“ Debra was a very sweet and helpful person. I was associated with her through the GATRA meetings held each year. She had a true love for profession and this was exemplified through her commitment to GATRA. I sat at the table with her at the meeting this year 2016, and am now very pleased that I had that honor. She will be missed and remembered fondly.

“ I am so sad to hear of Debra's passing. I got to know her through GATRA around 2009 when I joined. We had a lot of conversations about our children, being the same age, and she sure adored and loved her Dawson. Please know that you are all in my thoughts and prayers during this most difficult time. Debra will be greatly missed by many and meant a lot to many.

“ So sorry to hear about Debbie. My prayers are with her entire family. I hadn't been in contact with Debra since we were teenagers back in Greenville at our small Lutheran church, but she was always so sweet and kind. From what I recall, she was shy back then but always had a beautiful smile!
