“ My thoughts and prayers are with Deidre's family. I first met Deidre at GSOC and we instantly hit it off. She was such a wonderful person and we had a lot in common. We became very good friends outside of work, many fun nights together with friends. I would never have met the love of my life, if it weren't for Deidre and I'll be forever grateful for that. We loved the same music and we always had fun talking about all the things in life we enjoyed. I honestly can't imagine my life without knowing her and I will miss her dearly. I hope she passed peacefully and I will always treasure the time we had together. Deidre - Love you girl - and if you're not jamming somewhere, I hope you're at peace now.

“ Dear Cribb Family

*Please accept my condolences on the death of your beloved family member. I can only imagine what you must be going through at this time. Death was never meant to be part of our lives, but because of Adam and Eve's sin, we die (Ecclesiastes 3:11; Romans 5:12). Please take comfort in the Bible's sure promise of the resurrection (John 5:28,29). Our loving Heavenly Father has mercifully arranged through his son, the Christ, to bring back to life, "all those in the memorial tombs..." May your hearts be soothed by meditating on this precious, reliable promise from God.*
