“ *Sometimes people are forgotten because time passes, and we don't have those cherished memories but what we don't forget are the emotions and feelings towards each other. DeMarcus I remember had a lot of energy and joy when I was in high school. We are similar because we had a silly nature. Im sorry to hear about the loss, prayers for the family, I hope he and them found/find hope eternally in Christ through all things.*

“ DeMarcus was a sweet and gentle young man, I remember when he was about 3 years old and he used to run up behind me and grab my legs and laugh and run away only to be back two minutes later doing the same thing . You are gone too soon but God needed you.love Zuzu

Nita and Lauren my heart is saddened to learn of your loss. I am praying for God's continued comfort upon you and your family. Truly the loss of our loved ones in particular a child, will bring about much pain and we may never know why. But God, who is our sustainer and the strength of our Faith. I encourage the Family to trust God and embrace one of the greatest gifts God has given us, the wonderful memories Demarcus has left with you. I Love you Nita and Lauren and may the peace of God be with you. Frozene Lott Hayes
