“ Nisi was a very loving aunt... and long-time friend. We kept in touch over several decades. She was very considerate and kind. I especially loved how she took care of her mother until her final days, and loved my son (her nephew) as well as her other family and dogs. She will be greatly missed! I'm just so grateful that she had a wonderful life with her husband before the end of her days. I can't believe she's gone. She'll always hold a special spot in my heart.

“ Denice worked really hard practicing day after day becoming a very good bowler. She was so pleasant and always had a smile followed by kind words. I will miss her on the lanes and think of her when my game needs more work. She was a perfect 300!!
