“ *Dennis, You were my friend and a kind soul. I miss our talks about family, The Bible, & our love of poetry. I know you had deep regrets in your life, but you asked the Lord's forgiveness. Hopefully all others forgave you as well. I pray for your daughter and family for their loss of such a kind & gentle spirit..*

“ *R..I.P. my friend. I'm a fellow pharmacist and I appreciate all the times you were kind enough to come in on a split second to help us out at Griffin Drug in Cleveland. That's the kind of guy you were-willing to help at the drop of a hat. Thanks for all you did for the profession!*
