

Devin R. Boley

June 4, 1972 - April 6, 2021

Devin R. Boley passed away suddenly Tuesday, April 6, 2021. He was a devoted father, husband, and friend to many.

Devin was born June 4, 1972 in Peoria, Illinois and was one of five kids to Ronald and Ruth Boley.

Devin's passions were many, but you couldn't know him for long before you heard him brag about his children. He was passionate about serving others, extending support even to his own discomfort. Devin had a compassionate heart that led him to see the best in others even when they couldn't see it in themselves.

He leaves behind his wife, Sarah Boley, his children, Tyler Boley (18) Jessica Boley (14), Eli Boley (7) and Eva Ann Boley (5) and his bonus children, Madeline Lormis (21) and Asher Lormis (16).

Devin worked for Makita Corporation in Buford in operations leadership. He spoke so much of the team he worked with and the team he led. Devin's passion for people and their development was evident in everything he did, and it fostered a framework to look for ways to improve everything he touched.

While we were not prepared for the hole his loss has left, we trust in the One who is holding it all together.

Funeral services will be Saturday, April 17 at The Vine Church, Flowery Branch Campus, 6553 Spout Springs Rd, Flowery Branch, GA 30542.

Our thoughts and prayers are with the entire Boley Family. We worked with Devin many years at Dixon Fisheries, Indianapolis. We all became friends. Devin was always willing to step in when anyone needed a helping hand or to just talk. He had a good sense of humor, great work ethic and a heart of gold. Rest easy "Schmeve". You will be missed. Rich and Sue Mitchell.

“ Thoughts and Prayers are with the Boley Family. Praying for Peace and Comfort through this difficult time. Devin will be greatly missed by everyone here at Makita. Everyday when I come through the warehouse doors, I feel a sad feeling. Always the first person I saw each morning was DEVIN. . Saying good morning ,and always with a smile. We all enjoyed working with Devin. He made a lasting impression on a lot of people and will be greatly missed. Pat Lewis @ Makita
