“ *My deepest condolences to the Durden family. Devin was one of my cadets at the Air Force Academy. His smile, happy energy and thrill for life will remain in my heart.*

“ *Dear Gene and Durden family.
Gail and I wish to express our heartfelt condolences on this terrible loss. You may remember we came close to losing her when Betsy was that age, but I cannot imagine the grief you are going through. To go from what must have been extreme pride in your son to such levels of sorrow, must be more than you think you can bear. We know you can get through this, but you must lean on your friends and family and together you can survive this.
My family will always be indebted to you for the values you instilled in our daughter and know those qualities will see you through this time. Our thoughts and prayers are with you and your family.*

“ Dear Gene and family, I am so very sorry for the loss of your precious son, Devin. My heart goes out to each one of you. I know that we don't know each other, but we are first cousins. Uncle Gene has always been one of my favorite uncles. My mama, Georgia, is your aunt. She wanted me to let you know that your family is in her prayers and she is so sorry for the loss of your son, too. From all that I read about Devin he sure sounds like a wonderful person and I know you and your wife are very proud of him. I will keep you all in my prayers. Love, Vickie

“ Devin was a wonderful young man and I am honored to have known him! I was one of his math instructors at the Air Force Academy and we shared a love of football. We also shared the same initials (DTD) and correspondingly, the same nickname, "Double D." I was very saddened to learn he was leaving the Academy early, and devastated to learn of his accident. I was considering a trip to see him this weekend until I learned just on Friday afternoon that he had left to be with his Heavenly Father. My sadness quickly turned to heavy grief and my spirit was wounded. I lost my 16-year-old son last October, so the pain of this loss is all too familiar. While I have never met the family, I would love to visit with you when you are feeling up to it. I learned that the only way we can continue to make memories with those we have lost is to listen to the memories of those who also knew them. I have offered prayers for Devin and the family and will continue those prayers for at least the next year.

“ Gene, Cherie, Christian, Coby and Danielle,
Words cannot take away the pain that you all are feeling; however, I
pray that God will give you a peace and comfort that passes all
human understanding. Devin was a special young man, who will
continue to live in the memories of so many people. When Carrie
and I heard the news, we began sharing "Devinisms"- and one of
our fondest memories was when she was a cheerleader and Devin
came down and picked up her pom-pom's and began cheering. It
was priceless. We love you all and continue to pray for you.

“ Coach Durden, Cherie, Christian, Colby and Danielle, I keep reflecting back to the years in the gym and always having Devin there with us, and always with a smile. It's hard to believe something so tragic could happen to such a wonderful Christian Athlete; young man. Devin might have been a Big brother to three, but he was a little brother to many of us on the court. Devin will be missed forever. We love y'all and we are here for you. We will visit and see you soon. Love y'all always!
