“ My dad was one of my best friends. He loved me, my kids and my grand babies, we not only knew it but we felt it each time we were with him. It didn't matter if he knew he was going to see me on the weekends, he would still call me throughout the week. As much as the loss of my dad hurts my heart, I have peace of mind in knowing, he knew how much we loved him and he knew I would do anything for him. There won't be a day that goes by that I won't miss him. 😭  
Until we meet again, Rest In Peace.
