“Diana was a great cook. I remember her Hummingbird Cake, Italian Creme Cake and her German Chocolate cake. I also loved her scrambled eggs. I don't know what she did to make them so fluffy and taste so good but I sure enjoyed eating them! She was also a great singer with a beautiful vibrato in her voice. After she got saved, she used to sing on her job. Many of her fellow coworkers would ask her to sing for them. Two of her favorite songs back then were, "Is My Lord Satisfied With Me," and "I'm A Child of the King." I have so many precious memories of her. I will miss her dearly. I hope to see her again in Heaven.

“When I was growing up at my parents restaurant in Gainesville, Diane as we called her, was a big part of my growing up years and on into my adult years after I got married. She was much loved by me and my family. I have many fond memories of her and will never forget her. Of course as we move ahead and have families we sometimes lose touch, but the memories linger for a lifetime. She was beautiful inside and out.
