“ *Diana was such a precious member of our Bowne family and we were enormously lucky to have her. She always had time to help, to listen, or to celebrate your victories when things went well. She was quick with a smile.*

*Heather, I know you know how very much she loved you and those sweet grandchildren. Many of our conversations centered around you all and what was going on in your lives.*

*I grieve the loss of Diana but I know she is with Greg and they are smiling.*

*Thoughts and prayers,*

*Lynn*
