“ *Nicole, I'm so sorry your mother has passed. Being a Christian I know she's Dancing and rejoicing in Heaven and surrounded by friends and loved ones watching over all of you. I got to know your mom and it hurts my heart that she's gone. You're in my prayers.*

“ My mother was the best mother in the world. She loved her kids and grandkids dearly. We were her whole life and would not stop until she knew we were happy. It's going to really hard going through this crazy life without her but I know she is no longer in pain which is all I wanted for her since that dreadful day in 2015 when we found out she had cancer. She was so strong through that whole process which was nothing new as she has been strong our whole lives. It's going to be hard not being able to hear your voice and come to you in body with sad or happy times in my life.

Momma,

I promise to never let your spirit die and not be sad all the time but to be happy that you are no longer in pain and watching over us all from above. Your grandbabies will know how much you loved them. There are a lot of memories that I will share with them every day as long as I am breathing.

Love Always, Nicole (aka Coley)
