“ *Our sincere condolences to The Everett Family and all of Diane's extended family. We know what an empty space there will be at the barn without Diane, and there is that same empty feeling in our hearts. Diane was an immediate friend, and always so encouraging to everyone and always had a smile for everyone. She will be greatly missed here on Earth, and we know she is smiling down on all she loved from above.*

“ We're so sorry for your loss. Memories of her "sitting by the cake" at the music barn will always be a favorite memory. She was an important part of the "team" and made us feel welcome. Even though my husband, Ron, is a distant cousin to Diane, she always made us feel like family.

“ *Everett Family: I am so sorry for your loss. Diane will always be remembered for her sense of humor and her tough as nails personality. She roared like a lion, but we all knew she was a softy. I will forever be her secretary. Much love to you all and my prayers will be with you and your family during this time.*
