“ *I am so so sorry. She was my very best friend and now Im learning to live with out her. I could tell her anything and she never judged me or made fun of me belittled me or make me feel anything but loved and needed. I will love her always. I wanted her to stay but she knew she had to go so God speed my dear dear friend. You may be gone but you will never be forgotten. You will forever be in my heart. I will see you again and what a happy day that will be.. Donna*
