“ *Dear Larry, Jen, Chris and Kevin, I really can't express how blessed our family was to have Diane (Di Di)/your Mom as such an important part of our lives growing up. We all know she was the secret weapon of Thompson's Canteen, but we will always cherish that she was such a bright light in our family and daily lives. No one else in the the world had a Di Di. I was so fortunate to see your Mom almost every day growing up, from the kitchen on Chamberlain Road coming home from Maple Street school to Oxford (even the trailer) coming home from my first job. It was always so obvious how much she loved you all and how proud she was of her family. I am so very sorry for your loss. Love, Mark*

“ *Dear Larry, Jen Chris, Kevin & Gary, my heart is filled with sadness at the death of Diane, my beloved cousin and friend. I have so many happy memories of times spent together from childhood forward. It seems impossible to believe she is no longer with us and is now an angel in heaven. I pray your loving memories will bring you comfort and peace. I am sending you all my love. Bev*

“ *Diane, when I got the call this morning I was in disbelief, it could not be true you were too young. My next thought was all the fun we had when you where here in Connecticut. My heart breaks for Larry, Chris, Jen and Kevin and your beautiful grandchildren. I love you my good friend and will miss you terribly.💕💕💕💕 Kim*
