“ *I know that it is not just after Dianne's passing that I am writing this but I just learned of Irene joining her precious Dianne and Bob. I know that COVID -19 and unexpected health issues have prevented us and all of our friends from getting together but I did not realise that even news would not be circulated. Yvon and I are so sorry for your loss of such a wonderful Mother , your Dad a few years ago, and now , your Aunt. Yes, there sure will be a spectacular reunion in heaven. Dianne has been in my life since I was old enough to play outside when visiting my grandparents . She and Bob welcomed me many times at their first home in Montreal and then Yvon and I too. When the USA became home, we spent many fun times together. There was lots of laughing, chatting, music, extra good food.....fantastic times with good friends. We were so happy to get together when they lived in Georgia . Fortunately, Dianne made it up here a few years ago . Several of us friends joined the family to celebrate being together . How lucky we are to have known Dianne. She adored Bob and missed him so much. Roy and Rob ... your mother and father could not have lived you more . The grandchildren were a special bonus of whom both Dianne and Bob were so proud. Kerry, you were the perfect daughter-in-law and we felt honoured to have been so graciously welcomed by you , Rob and the "kids". Roy, you drove a long way to visit us there and we really appreciate it. Your Mum and Dad raised a wonderful family whom they loved dearly and were so proud of. Dianne was a pillar in the family and not only a wife to Bob, a very best friend. She will be missed as your Dad and now Irene are. Lové you all. May they Rest In Peace together.*

“ Sweet, sweet Dianne, oh how I will miss you so much. I still remember the first time we met at a caring and sharing meeting when I brought my mom. Little did I know that I would have such a beautiful, loving and caring woman become my friend that day. You will always have a special place in many heart. I hope that you and my mom have lunch together everyday up in heaven. Until we meet again. Love you, Tricia

“ My sister was many things - and one of them was a good friend to me. She often consoled me when we were both going through rough times putting her own pain aside. She was always there for me. She had many obstacles to face in her life and no matter what they were when you asked her how she was you got the same answer - I am fine. She was a major part of my life even if we lived miles apart. She was caring and kind and her husband, children and grandchildren were everything to her. They were her reason for living and she was proud of them all. However, to the people who knew her well they would admit she had another side to her character. She wasn't always meek and mild. I must admit she embarrassed myself and her husband several times when we were in a line up and people didn't follow rules. Let's just say you didn't push in front of her in line. Heaven help you if you did. Another person will miss her dearly, her special Aunt Irene, who talked to her every day and was lucky enough to spend time with her every winter. She will truly be missed. But this is not goodbye as you will be in our hearts forever

“ Rob,Kerry,Josh and Lexi you are in my prayers, my thoughts and my heart.I loved her so much.It’s hard to understand why people are taken from us but find comfort in knowing you were a special part of a well lived life. You are all special to me You treated me like part of the family every time I came over.The only thing that keeps me going is knowing that she’s free from pain, something I have wanted for her since day one. Rest in heaven sweet lady and save a place for me. Marge

“ *Diane was my sister and we never got to spend enough time together, mostly due to her living in Dacula, USA and me living in Toronto, Canada. We did however have a family and friends reunion in Magog, Canada a couple of years back and Diane was as always full of love and laughter and courageous even faced with some pain and constantly amazed me with her amazing positive attitude. Diane, you will be very much missed. Sincere condolences to all her remaining family and many others that cared for her and was part of her journey through this life. Rest in peace my sister. Your mostly absent but loving brother Don.*

“ *Faith, Family and a Fervent zest for life are frequently used to describe Dianne. I was privileged to know Dianne like a sister—or often described as “Thelma and Louise” when we would pull in the driveway after a day of adventure. To me, the poet ee Cummings described our friendship best in his poem “I carry your heart in my heart”. Celebrating you, our friendship and the laughter we always seemed to find*
