*I have fond memories of this dearly loved one, Sister Lacey. She always greeted me with a warm and loving smile. She has been a fantastic example of a spiritual woman. It was through her daughter Sandy that I became acquainted with her. The bond they had as mother and daughter was truly to be admired. The later years of her life were well cared for by Sandy. She fulfilled her every need. Now we both await the call for our dear mothers to rise from their sleep. 💕*
