“ *Sue,*

There are no words I can say that can heal your heart, but I want you to know that Amy and I are praying for your strength, and peace for you and your family in the coming days and weeks as they will be the hardest. Don was one of the best men I ever met, and I always enjoyed visiting with him at bluegrass festivals. We lost a great man, but heaven gained a wonderful soul, and we WILL get to see him again!! With all our love,

Aaron, Amy, Ethan and Katie

“ *Hi Sue: As we all are from Habersham County, just wanted to tell you and your family members, so sorry to hear of Don's home going. Lots of water under the bridge since the 1960's, but yet, great memories of some happy times spent with you, Don, and other Lowery family members.*

Praying for God to sustain you and yours during the difficult time of adjustment to life without him. Love, hugs, and prayers. Trudy Thomason Wade, and son Matthew Lee Wade.

Just think what wonderful place he's in BG with all his friends and family there. My heart is with you Sue and family. You know what I mean I've there and it 's not easy to accept. We want to ask the question why but God always has his plans. I know your heart is heavy right now but I want to remember the good old memories of all of our good times. Love to you and family. “ Sue, Greg, Karen & family: We have just this moment heard about your loss. Please know that you will be in our prayers. We have so many great memories of times shared on the baseball field. Greg, we still talk about the time you went to the beach with us. We had a good time. We love you all and will certainly be thinking of you. Just remember, we will all be together again one day and might just get to watch another baseball game together!
