“ *To the family: my love and prayers are with each of you during this difficult time. I pray for peace and light as you all move forward. Your dad was extremely intelligent and funny. I enjoyed the little time I was able to spend with him for his recent birthday. He had Leila and I laughing the whole time. He will be missed. I hope you can take solace in knowing that his legacy lives on through each of you and the good deeds that you are all known for. My deepest condolences and love.*
