“ *Dear Todd, Carolyn, Josh, Becca and family,
Heaven has gained a wonderful grammy, great mom and fun aunt
and sister. How thankful I am for all of those great memories of
family get togethers, camping trips, the Masters trip, the crazy
Flattops trip, etc. I could not have asked for a better sister-in-law. I
will miss her greatly, but we will keep her memory alive through
recounting those times together. Love to all.*

“ *Dear,
Josh, Todd and family. I am deeply
Sorry to hear of your mother's passing
You all have been in my thoughts and prayers at this difficult time.
I don't know if you remember me or not but your mother and I were
good friends at Luceny. We worked together and dined together
often. She was a wonderful lady
I am sorry we lost touch but I still remembered her fondly. Please
know you all are being prayed for peace and comfort.
Sincerely, Barbara Bramlett*

“ I am so sorry for your loss. No one should have to endure the pain of losing someone so dear. We were never meant to experience pain, grow old and die. (Ecclesiastes 3:11) It was not until sin was committed by our first parents, Adam and Eve, that death was introduced to the human family.(Romans 5:12) We can give thanks to our Heavenly Father who lovingly sent his only begotten son to pay the ransom sacrifice for our sins. Because of this we will have the opportunity to see and hold loved ones that have fallen asleep in death in the very near future! You will be able to hold Donna again and you will never have to fear ever saying goodbye. This is a promise from God! (John 3:16; John 5:28, 29) Jw.org
