“ She was like a second mom to myself and many others. Loved her as such, and she will be missed. I am honored to be a small part of her life and the family's. One of the funniest things I will always remember is when that sweet lady about wore me out with a fly swatter one day for sitting on the kitchen counter... its those small stories that we laughed about over the years and will always bring a smile.  
God has gained a great angel 😇

“ I began first grade with Donna at S H Elementary in Mrs Tanners class and was a classmate fo 12 years. Seems like half the first grade class was related to Donna. I have never known a kinder or more caring person. Although I have not seen her since high school, I am sincerely grieving for her. She will always be a little girl in knee socks and saddle oxfords in my mind. God Speed to your Reward Donna.
