“ *Dear Jonathan and Bill*

*Who would have known, when I baby sat you guys, the friendships we would form with your parents over the years. Our wedding in 1982 would never have been the same without your family's big part in it, especially your Mom, my matron of honor. As much as we will all miss her and are hurting right now, death's sting will be a thing of the past soon and it gives us the strength and appreciation to keep on going. The new world to come...*
