“ *We had so many great memories shared with Donnis and Wendell and the Foothills RV club, that its hard to pick just one, but one in particular stands out. Our group was camping during a downpour; we had tarps put up over the picnic table and Donnis decided to bake a cake for us. As she started out the door the top layer started to slide off. She and Barbara managed to save it but it looked awful. Donnis smiled and laughed about it - her usual fun self. We called it the hurricane cake and man it was good - even in the rain. We will miss your smiling face and cheerful outlook and caring about others to the end. I will miss you friend.
