“ *Dear Barbara, Linet, and Richard,*

We are sorry we won't be able to attend the memorial. I have many fond memories of your mother. She was a kind and warm lady. She was also very talented. I remember how she always had a garden and canned much of her harvest. I loved her bread and butter pickles. She was also such an amazing seamstress. She saved my wedding dress. It wouldn't have been half as pretty if it weren't for her beautiful additions at the last minute. She also knitted my daughters' baby blankets and they are beautiful and amazingly intricate (I have them stored away). She was truly a gifted and generous woman. I know you will miss her greatly, but I hope you are comforted by memories of what a wonderful woman she was.

*With love,
