“ *CARL >> This is Jerry Milhorn checking in from east TN. I am so sorry to hear about Doris. I think about you often and hope you are doing OK. I just learned about Doris and thought I would try to contact you via this register. I retired a few years ago and moved the family from Houston, TX back to east TN to help take care of my parents. Lost my dad, but my mom is still doing OK. I don't hear much from anyone at Plantation these days, but I'm sure they are still pumping product. Take care, and keep in touch.JERRY*
