“ I had the privilege of working with Ms. Doris for some time. Quiet at work but remembered as sweet, kind and a smart co-worker I am fortunate to have worked with her. My condolences to her family you are in my thoughts and prayers.

“ I’m lucky I have a lifetime of memories with my mom and I can’t think of any that I don’t love. My mom had my back, all our backs, I rem once a teacher wanted me to take a more challenging English my senior year, made me take a note to my mom to sign, next day she asked what my mom had to say Her words exactly I was proud to tell my teacher (yes rebellious) “my momma says to tell you if I need a challenge in my life she’ll give it to me “ 😂My mom was feisty but the most loving, good hearted, welcoming woman I’ve ever known. All my friends felt it, they treated them all like family. We are all better for knowing her and having her love us in her unconditional way. So while I miss her more than life I feel so grateful to call her my mom ❤️
