“*Dot was one of those rare beings who never shunned away from a challenge - this included her illness and the dying processes. She asked the tough questions, wrestled with her mortality, and made the most of every moment she had.*

*In Life, she embraced the beauty of the Divine:
Through Nature - especially the lake and woods around her home,
Through the Animals - especially the many dogs and cats
throughout her life,
And mainly, Through Relationships - especially her family and her
love, Judy.*

*My condolences to Judy and Dot's family. I hope there are moments
that the memories bring joy to your heart - even when the tears are
running down your face - or when you're looking at your watch to
check the time ;)*

“ We will miss Dot very much! She had a kind soul and an infectious smile. Every time she came in to see us to get her hair done she was so happy. She had some great stories! Never a dull moment in Dots life. She lived her life to the fullest, and we loved hearing her stories about the times her and Judy spent at the beach and on the lake. She will be greatly missed.

We send our sincere condolences to Judy, and the rest of her family.

Thanks for laughs, Dot. RIP

“ Dot had the best sense of humor and was always so much fun to be around. She could say things with such a straight face, and they would be hilarious. We'll miss her so much. (Derrek and Ashley Moody, Lexington, GA)

“ *Never have I ever known a sweeter, kinder, more loving person than Dot. What a wonderful legacy to leave behind. We are all blessed to have been a part of her life. Her physical being will be sorely missed but sweet memories and her spirit will be with us forever. Sorrow is but a while but memories of her will be eternal. I pray for Judy, her family and all who loved her will miss her. Until we meet again my sweet friend!*

“ *Dot, you were the perfect Southern Belle. Elegant, well-mannered, kind, educated, but with a bit of stubborn and sass. You did things your way and everyone loved you for it. You will always be remembered for your beautiful smile, a glass of white wine, the dogs, and the sound of waves. You will be missed.*

“ I’ve known Judy for years and got to know Dot through her. My most fun memory is randomly being seated at the same hibachi table with them. What a night of laughs and stories, such fun!

Enjoyed social things at Lyndrid’s together too. Dot was always sweet and kind and funny. I’ll miss her.

Big hugs for Judy. 💕💕

“ Drew and I wanted to extend our deepest condolences to Judy and all of Dot's family and friends. Dot welcomed us from the day we bought our property in the neighborhood almost 10 years ago. We know she loved the lake life and animals as much as we do. We will miss you and wish we had more chances together to view our gorgeous sunsets on the lake. Christine & Drew Raines, Bermuda Lane

“ We moved next door to Dot and Judy a little over a year ago, and they were some of the first people to welcome us to the neighborhood. They were so kind and made us feel right at home immediately. Dot will be greatly missed. Bluewaters will never be the same without her.
