“ So sad to just find this. Dot was a precious and strong lady, and loved her. Her sewing skills are what lead me to her. I loved it when I went to her house and she & I would talk for a long time. She helped with my daughter’s wedding dress and after talking about her, she found this out. Prayers for the family 🙏❤️🙏❤️🙏

“ Dorothy was my friend and neighbour, and when she moved away, things haven't been the same without her. I miss having morning coffee and conversations with her, and helping her when I could. She was a sweet lady, and well loved and I will miss her dearly. RIP "Dot", I Love you.
