“ *It was a pleasure getting to know and care for "my favorite nurse"; her smile brightened my day and she will truly be missed by "red". My prayers are with the family as you grieve the loss of such a sweet woman. May God's love embrace you and carry you during this difficult period.*

“ Bryan,
I did not know your mom had passed away until I went to work on Friday. It was honor to be able to take care of your mom when she was at Bell Minor and also the night that I was pulled to NG6. As a nurse your mom was truly an inspiration to me.

Please know that you and Laurel will be in my thoughts and prayers. Take care and take it easy with yourself and Laurel. Your mom was blessed to have you as her son and also to have such a wonderful granddaughter.

“ Chuck,
Brenda Tate contacted me via Facebook and told me that your mother had passed. I have had her on my mind for the past few weeks. Just remembering the times we (as children) spent at your house during the summer. I had not idea how to get up with her or you. I am sorry for your loss and have the fundest of memories of Dot. Much love to you, Susan McCuen - Jacksonville, NC
