“ I was raised not really understanding that Butch wasn't related to me. Uncle Butch treaded me as one of his own. Stacy and I have been best friends since I was 4 and she was 5. Uncle Butch would stand at the street and watch me run home if it was dark. Mom would be waiting at the top of the hill. The two would do the same if Stacy was at my house and it got dark. When my mom needed help annd dad was out of town, Uncle Hutch would be the neighbor mom would call.

Uncle Butch would always welcome me on, “girl, you don't need to knock, your family.” I hate that my family moved, but when we are in the area, I would stop and see Uncle Butch. When I think of a country boy, Uncle Butch is who I see. A Good Old Country Boy!

“ Tami here, a neighbor up the street at 1252. Butch used to always stop and say hello while I was walking my doggie Jenny, before I had to put her down in April, butch would always ask about how my dog was doing. Seems to be a wonderful man as well as his wife Jackie. I pray for peace and comfort and blessings for the family and may butch Rest In Peace with our lord and savior. Sincerely Tami Farley....

Kent and I send our condolences to all the family. We saw in Butch a hard working man who loved his family and community. I know how he missed his daughters who went on to heaven, but what joy he has to be with them again. May the family have that peace that passes understanding.
