“ The first time I met Doug we sat on the back porch and talked for over an hour. He shared so many stories of his life with me. His military service, career choices and most of all his family. We talked like old friends and his eyes always sparkled when he mentioned Claudette. He will be missed dearly. Love and prayers for his family.

“ Doug and I worked together as officers of Plumbers & Pipefitters Local 72 for over 20 years. Doug was a a man that was dedicated first to his family, to his Savior Jesus, to his Country and to Local 72 and its members for many years. I will personally miss serving with him at Local 72. Most of all I will miss his friendship. Doug was truly a special person. Doug one day we will meet again in heaven. My prayers go out to Claudette, his wife and to the children and other family members.

GH

“ *It has been several years since I had the pleasure of Doug’s companionship and wit. He always had a smile and a positive message. We were on different sides of the political spectrum but he never let that influence our friendship. We both enjoyed the political bantering, friendly, respectful and good natured. Oh, I must make mention of his award winning tomatoes, which he freely shared with all.*

*Rest in peace my friend.*
