“ *I just learned today that Doug had passed away. I went by the park to say hello and ride through. We had many great conversations there at the guard booth or at chance meetings around town. I will miss him very much. May God provide comfort to all of those who knew him.*

“ *To Peggy and family...  
We were saddened to hear of Doug's passing. So glad that we got to see him a week ago at Mary Alice. We bought our season pass from him that day. We will miss his smiling face and conversation when we go to the park. Please accept our deepest sympathy and prayers as you deal with this loss.  
Sincerely, Jeff and Kay*
