

## Doyle Allen Smith

March 18, 1936 - January 11, 2021

Doyle Allen Smith, 84, of Buford, GA, entered into rest on Monday 01/11/2021.

Born in Winfield, AL, Doyle was an honorable Navy Veteran, having served 4 years to his country.

He was quite the transmission pro, enjoyed tinkering with cars, watching NASCAR, cheering for Alabama (Roll Tide), and being a loving dad and Pawpaw.

He is survived by his children Allen & Sandy Smith, Angie Howard, Buck & Delores Scuffham, his grandchildren Bobbie & Jamey Marler, Brandon & Candace Howard, Dylan Howard, Kaley Smith, & Dalton Smith, and five great-grandchildren Emma, Colin, Riley, Cooper, & Nolan.

Our family would like to extend our gratitude to Northside Gwinnett Extended Care Center in Lawrenceville, GA. To every administrator, kitchen employee, physical therapist, activity coordinator, CNA, nurse and volunteer who helped bring healing and encouragement to our dad; saying thank you seems inadequate. As much as he fussed, he felt the warmth that many of you showed him on a daily basis. The past two years have been filled with uncertainties and you've made the transition much easier. So again, we say thank you.

The immediate family will have a private ceremony and memorial graveside service to honor and remember his life.
