“ *Was shocked to hear. Dr Bolen treated me and my husband for many years. He was a great blessing to us. Living in the UK now and only found out because I recommended him to my old neighbor a couple of days ago. She told me. I now live in the UK and have no address to send a card. I hope his wife gets to see this. She too was a blessing, always friendly and cheerful. I wished the family God,s blessing. I am sure they miss him everyday even now. I still miss James and the chiropractic of Dr Bolen that was such a blessing to us both. I wonder If dr Bolen and James have met each other in heaven. Lots of love from Margriet Montoya*

“ Dr. Bolen will always have a very special place in my heart. He was my whistling chiropractor and friend of many years. Love, prayers, and condolences to Anna, Taggart, Austin, and Melanie and their families, and most especially to my precious friend Dwane. She and Dr. Bolen were true soulmates, which inspired all who knew them. God's comfort be near you.

“ What a devastating loss! Dr. Bolen was more than my Chiropractor, he was my friend. A person I liked the first time I met him in his examining room. Warm, compassionate and enormously competent. He is greatly missed by so many. Our hearts go out to Dwane and his wonderful family. May the Lord be with them in their overwhelming grief and pain of loss. And be comforted by the knowledge this fine man is with our Heavenly Father. We hear his joyful whistling even now and look forward to seeing (and hearing) him, again. All of us who knew him are better for having known him.

“ Good morning Bolen Family,

*So sorry to hear of the death of the Beloved Dr. Bolen. Dealing with the death of a loved one can be very difficult and painful. Please take comfort in God's promise at Revelation 21: 4 which states "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

*As you deal with this very sad and stressful this in your lives, please remember to "throw all your anxieties" on God because "he cares for you"-1Peter 5:7*

*He will be greatly missed by our family. Our hearts and prayers go out to his family and staff. The Warnekes*

“ Words can't express how sorry I am to family and friends for the loss of this wonderfu, god-fearing and gracious man.  
I had no idea when I met Anna over 13 years ago that I would get to meet one of the most special couples (her parents) I've ever known. Anna brought me such happiness when she introduced me to Dad and mom. I have never witnessed such a loving and close couple in my life. Dr. Bolen inspired me to be a better person and to have a better spiritual outlook on life  
His positive energy has always been contagious and always sent me home with a new and more positive outlook on life.  
Dr. Bolan is one of a kind. My heart is broken knowing I can't communicate on earth with him but at the same time I'm looking forward to meeting him in heaven. I know he'll have such a wonderful smile and open arms when I see him  
I love you, Dr. B. Miss you so much.  
Love, Katie

“ Dr. Bolen was such a kind, patient and happy person. He was also the best doctor I have ever had, who went over and above every time I saw him to help me. He truly cared about people and it showed. His legacy will live on through his students and through the many people he healed through his many years of service. I am so grateful to have known him.

“ *Dwane & All of the Bolen Family,*

*Words can't convey how deeply sorry we are to learn of Robert's passing.*

*It seems like just yesterday you were celebrating your wedding anniversary in Rome, expecting your first grandchild, then your second, third... we have watched each other's families change and grow from our backyards for the last 11 years or so and in all that time, I have admired the love and strength that all of you share. I know that Robert's light will continue shining through all of you and especially through Dwane's beautiful backyard garden.... and in time, if we listen hard, we may still hear him whistling. I'm pretty sure we will.*

“ I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort in Revelation 21:3-5. This scripture paints a picture of a world that is very different from what we see today. A world with no more sickness, pain or death...and it is not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious one. You will never have to say a painful goodbye ever again!
