“ *We are honored to know Charles & MM for the last 3 years. Charles will be sorely missed but his legacy lives on.*

*The beautiful landscaped garden (front just redone last spring), his sanctuary out the back - his quite place.*

*He lived life to his absolute fullest, travelling to Antarctica only 2 years ago, Colorado 1 year ago, and 2 months ago to Pensacola probably his toughest trip with MM.*

*He volunteered his time for Men's Ministry and came and worked in our basement, he would help where-ever he could - learning computer work, that at times he wrestled with (but never gave up), these were tasks that he previously would delegate to his assistants.*

*He drove to 'Fayetteville' 1 1/2 hrs each way for Physiotherapy learning to walk better after his stroke.*

*His chats regarding Jesus and the world events were my favorites. I know he is watching out for us all in heaven.*

*Always in our hearts,  
Rob and Tami xo*

“ Our thoughts and prayers are with your family. We know Charles will be greatly missed by each of you and all his many friends as well. What a beautiful life he lived, in the way that Christ wants us all to live. Great is his reward in Heaven for being a good and faithful servant. May we all try to be the example for our families as he was for his.

Much love,
