“ *Daddy,  
Thank you for being such an amazing Father! I know what love is because of you! Your actions always showed it, but You always told me! I think about all the amazing times we spent together just us! Those are some of the best memories I have. Your love has poured over into my life and my little family.Im thankful for the relationship you had with my husband. I'm glad you knew he was a good manA I am so thankful you set aside time for me growing up! You were the hardest working Man i know but you always made time! Thank you for the camping trips, teaching me how to fish, taking me clothes shopping, teaching me how to garden, teaching me to drive, being someone I could talk to, taking me to church, giving me a work ethic, putting a roof over my head and food on the table. Most of all, thank you for being present! miss you sooooo much! I love you. See you soon,  
Pnut*

“ *To Stacy and family so sorry to hear that Dwayne passed. I am so glad that I got to meet you both when we worked at brookside. The love that you two had for each other is something that most people could only wish that they could find. Dwayne will be missed by everybody who ever met him. I will pray for you and your family*

“ I love you so much big brother and your big bear hugs. You always had such a beautiful spirit and big heart. The family gatherings will be so boring now without you and Darrell. You will be missed more than you can imagine. You had such a hard life and so much stress and worry. I'm glad that you have a new body, no more worries sitting at the right hand of the father. I'm kind of jelly. Give dad and Darrell a big bear hug from me, we will be there before you know it. Until then, I love you long time!! Your Lil sister, Keshia 🤗🥰🤗
