“ *My heart is a little broken about Eddie's passing, and it brings to memory my time spent with the wonderful Whited family. It seems like an eternity ago when I shared a room with Becky for the summer and worked with Tina at the sewing factory for a while (and then Lake Lanier Islands). I know that your family has experienced another deep loss, and for this I am profoundly sorry. Eddie was well-loved by so many for his quick wit and easy smile, and I'm sure that Kayla and Garrett probably share a good measure of these wonderful qualities. Rest in peace, Eddie, dear friend.*

“ *Eddie has been a great friend for over 40 years. I will always cherish the memories. Playing together as kids, roaming the woods and hunting as teenagers, playing basketball together, leaving Georgia for California when we were about 20, time at the beach when Kayla and Haley were young, fishing trips to Minnesota with Garrett, and the many hours of solving the worlds problems. He was always there for me when I needed him and he will be missed.*
