“ *Dearest Janis and all the Flanders family, Ed and I were the same age, though he was almost 2 months older and always "insisted" that I pay him due respect on that period between our birthdays when he was the senior. We grew up close, as in those days, our families were close. As i told Debbie, there was a time in our very young years when we looked almost like twins! Life took us around and around and in many different places, but we always shared a great love for each other. He loved to argue with me: be it politics, religion or just life on a daily basis! It was how we related in our "elder years." I will miss him greatly. I'm so sorry that I cannot be there for his Memorial service on Monday, but I will be at St. Paul's Episcopal Church here in Savannah remembering him, by name, and asking for God's Blessing on his family, giving thanks for his life, and praying that he may indeed "rest in peace."*

“ Dear Janice and family, so sorry to hear of your dear husband and fathers passing. Ed and I are first cousins on his mothers side of the family. Someone once said life is what happens while we are making other plans. Ed and I spoke of this as we both had gone on our merry ways for 50 years before we ever connected with one another. We laughed about it as if we were the only people in the world that knew this when in fact it's how we all live today. Ed said if we had connected earlier in life we probably wouldn't have stood each other. Ed loves each one of you for who you are and just delighted in telling me your many adventures, and misadventures. He was just sooo in love with all of you and that love was so beautiful to see. Please forgive my not being with you at the memorial service but my health prevents that. But I'll be there in spirit... As followers of Christ Jesus we rest assured that Ed has joined that celestial community of saints watching over and pulling for and praying for us all. God bless you as you stay in love with Christ and each other. Your cousin Spence and Martha Newsome
