“ I only knew Edgar for a short time while working at Pinnacle Data Systems but he had the type of personality that made you feel as if you knew him for years. He was very welcoming and a contagious smile and laugh that would turn any bad day around. He was a true inspiration and an intelligent and great man. He was so excited about life and I learned many things from him in regards to business and life in general while spending our short time together. He will be missed dearly. My condolences to his wife, children, and extended family. May God wrap you in his arms and bring you comfort.

His body is rested but his spirit is with our Heavenly Father and what an amazing celebration they must be having! You are missed by many but we will see you again one day, Edgar!
