“ *Dear Pam, Evan and the McGehee Family, I had the honor of being a friend of Ed's for approximately thirty (30) years. Our friendship began when we worked together at the Dekalb County Sheriff's Office. Having attended the visitation last night it gave me the opportunity to realize just how many lives he had touched in such a short period of time. He had such an impact on everyone that he ever met just from their first encounter with him. I will forever miss our friendship, association, frequent times of shooting and our Navy vs. Air Force rivalry. I know that on Saturday, 02/25/12 he entered God's elevator and pressed the button to go to the top floor... heaven. God bless you all with our deepest sympathy. David Perry & Family.*

“ We have known Ed for several years as our neighbor, but he was so much more than that. He was the one you always turned to without a question if you needed anything, whatever it was. No one could make you more comfortable asking for help, or could so consistently lift your spirits after doing so, as Ed always had such a wonderfully positive attitude. We will all miss him and will keep Pam and Evan in our prayers.

It was around 2002 when I first met Ed. At the time, I was working at Otis and we immediately became friends. Years later, I had the privilege to work with Ed during my time at LBA. He was a man of great character and integrity, and was always quick to make you laugh. He will be sorely missed, but never forgotten.

“ Dear Pam and Evan,
Although we have never met, rest assured I have heard plenty about you from my dear friend Eddie. I had just spoken to him via text on Friday and we were talking about our travel plans. Eddie and I were always close to each other in school and I cherished my friendship with him. Since I live in Kentucky and am just finding out about the loss of Eddie I will not be able to attend his services but do want you both to know what a wonderful person he was and a joy to be around. We had wonderful memories together growing up and they will always be with me. Please reach out to me if I can ever help you or your family. Please also extend my heartfelt sympathy to Mr. and Mrs. McGehee. Wonderful and loving parents to Eddie.

I am So Very Sorry to receive this news about Ed passing. He was trully a gifted person and always spoke about you and Evan every time we spoke. “ *Memories keep those we love close to us forever. Hold fast to your memories, to all of the cherished moments of the past, to the blessings and the laughter, the joys and the celebrations, the sorrow and the tears. They all add up to a treasure of fond yesterdays that you shared and spent together, and they keep the one you loved close to you in spirit and thought. The special moments and memories in your life will never change. They will always be in your heart, today and forevermore.*
