“ I know this is a difficult time for you, please accept my sincere condolences. "Blessed be the God and the Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort." (2 Corinthians 1:3) Also, Draw close to God in prayer and "he himself will sustain you." - Psalm 55:22

During this time of loss, you may have asked yourself many questions, such as, why do we die? What happens to us when we die? Will we ever see our loved ones again? Did you know the Bible can answer these questions for you?

The Bible makes it clear that God did not originally intend for us to die. Because of the sin Adam and Eve committed, we have inherited their punishment of death also. (Read Romans 5:12; Job 14:4) However, we also gain the prospect of living forever here on earth because of the sacrifice of the blood of Jesus Christ. Jesus said, "He that exercises faith in me, even though he dies, will come to life." (John 11:25) Because of this sacrifice, our loved ones will be resurrected in God's new Kingdom here on earth. Isn't that wonderful! ... you will have an opportunity to see your loved ones again! You can be confident in the resurrection. "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment." (John 5:28, 29)

I look forward to the day when all of us will see our dear loved ones again!

I understand you are still grieving, when you are feeling stronger and would like someone to visit you to explain more about this wonderful prospect of hope for our dead loved ones, please contact me at the email address below.

*Again, my condolences,

“ To the Daughters and Family of Ed, Our thoughts and prayers go out to each of you during this most difficult time the loss of your loved one.

I had spoken to Ed several times this past Saturday and assured him that I would see him at the viewing Sunday of Eddie Griggs whom also just passed.

I was totally at a loss when I received the phone call in regards to Ed passing just 3 days later.

I have fond memories of the conversations, jokes and pranks played with and against Ed while working together at Dekalb County Traffic Engineering.

Ed while our loss of you be painful, the rejoice that you have with your wife in Heaven and in the presents of the Almighty Creator and our Lord and Savior give you the Peace that you have longed for these past 4 years. Rest in Peace my friend!

“ To each of you, you seem like family to me. He will be missed sitting on his front porch waving as we went by, mowing his yard, riding up the road in his little red truck and white car. I know you girls and grandchildren will miss him dearly. My prayers are with you.

“ I have such fond memories of Ed as I was growing up. I just spoke with him as he visited my dad at the funeral home on Sunday....Eddie Griggs. I'm glad I got to speak with him. He was so upset over my dad's passing. I know so many stories of him and my dad working together and the respect dad had for him. I know he will be missed. I'm so sorry for the loss.
