“ So sorry to hear of Eileen's passing. She was a wonderful friend. We had good times as teenagers babysitting for Janet on Friday nights. A&W car hopping was always a blast, and band camp was a fun time we all will never forget. Rest in Peace... You deserve it.

“ To Bill and the entire family,
Eileen was a special person and while we had little contact in the years after high school, when we did, she was her usual gracious self with that glorious smile. Many of my high school memories are with her at the farm; our double date on Prom; all of us working together at the A and W and much more. She had that sweet energy that was uniquely her. I'm sure you will miss her deeply. I hold everyone close in thought and prayer.

“ I always remember her joy and excitement of cheering on the granddaughters during VBALL events. She even shared in our ore game fun from time to time, with a margarita and laughs to properly get ready to cheer on the girls for SPX volleyball. She had a big presence and was a beautiful woman who will be greatly missed. Bless you all and my prayers are with you. Amy Merry

“ *To quote Eileen “We had a golden friendship of over 20 years”. She lived her life to honor her husband, daughter and granddaughters. She set the bar high with her extraordinary work ethics. She will always be my Diva sister. We miss her so much, but so blessed to have her in our lives. I know she is at peace and is smiling down on all of us. Much love my dear friend.*
