Elaine R. Brown of Athens, GA died on January 9, 2013, at the age of 93. She was born in Hornell, NY to Earl Richtmyer and Hazel Kreason Richtmyer. She grew up during the depression helping on her grandparents' farm and in the family grocery store, Richtmyer's Food Mart. Elaine graduated from Alfred University in 1939 with a degree in Business and worked for the Erie Railroad until 1942. At Alfred, she met Robert H. Brown who had come to teach and study for an engineering degree. They were married in 1942 and traveled the country while Bob served in the U. S. Navy during World War II. She and Bob moved to Athens, GA in 1948. The Browns were members of Athens First United Methodist Church where Elaine served as President of the UMW on two different occasions, sang in the choir and served on the Administrative Board. She also served her community as Regent of the Elijah Clark Chapter of the DAR, President of the University Women's Club and member of Kiwanis. She believed in staying active and was still attending yoga and Jazzercise classes and mowing her three-acre lawn into her 90's. Elaine was not famous in the worldly sense thru career or financial portfolio. She was famous in the spiritual way for her love and care for other people. “ *Marilane, Wendell, Becky and families, Our community has lost a truly genuine transplanted Lady who loved, supported, and advocated for many worthwhile causes as well as individuals for decades in the Oconee/Clarke County area. Always upbeat, smiling, complimentary, helpful and ALWAYS on the go ! I always enjoyed our conversations, catching up on all of you, and her way of just being delightful- she will be missed by many, many whose lives she touched and were drawn to her. May God's healing, and grace be with you through your grief, and may each of you find Peace through Him.*

“ *Elaine and Bob Brown were committed to improving opportunities for young people from all walks of life. Elaine always had a big smile and words of encouragement. Bob smiled alot as well but always let it be known that he expected the very best from his students and colleagues. Crossing paths with Elaine and Bob expanded my horizons and opened doors for me. We need more people like Elaine and Bob to help make the world a better place. May they rest in peace.*

Ms. Elaine became my job three years ago, but over those three years she became much more than just a job. She became my best friend. She was a lady that taught me so much about life. She never gave up on living, even when living became hard and she couldn't remember how to do it like she used to. She always had a smile on her face and even though her memory failed on daily activities she would always remember the important things like my daughters and grandchildren. She loved life and said "life is life only if you are living, and if you are not living in that life then it's not living." I will never forget my little lady and the lesson she taught me- no matter how old you get life is just as important tomorrow as it was yesterday. I have lots of memories to hold, in my heart she will live on forever.

*With love,
Debra*

“ *As a Jazzercise friend of Elaine's, I wish to express my sympathy to the family. Elaine was such a role model to me. I couldn't believe she was still attending Jazzercise classes into her 90's and told her how much I admired her. She replied, "Don't ever stop exercising!" Elaine was such a kind, sweet woman, and always smiling. What a precious person, who will be remembered by so many.*

“ It was my pleasure to have known Elaine from exercise classes at the WYCO and later in the UWC Gourmet Group. She was such a role model and was one of the most positive people I have ever know. So much fun to be with! She kept up with times. I admired her computer skills. She maintained such an interest in what was happening in the world and with all her friends. She is missed.
