“ *To Elaine's much loved family:
Elaine was truly an inspiration to all she came in contact. Her love of God was evident in everything she did. Elaine's commitment to her faith, her family, and her friends served as an inspiration to those with whom she came in contact. I will miss her! I count my self very fortunate to have been in her life.*

“ *Megan and I are so upset to see your mother go. She was the most positive and caring person I knew. I will never forget how much she helped me with my Meggie during my years in Seabrook. I have her soup recipe (in her handwriting) that Meg loved so much. I will be making it today in her honor. Love you girls!*

“ The service today for Elaine was so remarkable in depicting the beautiful, impactful life she lived. What a legacy she has left for all of us in the way she loved and cared for so many people. I was one of the blessed ones to have worked with her at BHS for 14 years. She taught me so much in the way she loved kids and our school and community. Meeting her mom and dad, her brothers and sister, and seeing Al, Anna, and Erin today was so moving. I could feel your loss and yet your strength as a family was so present. Please know that she will never be forgotten and that our prayers will remain for you all as you try and adjust to this life without her. With love,

“ God chose a beautiful rose for his garden. Mike and family know that her life has just begun. She is now sitting at her Savior feet, free of pain and sorrow. Know that she is watching and protecting from above, every time you see a rainbow she is sending her family a smile.
God bless you and family

“ I send to you my personal condolences for a loss that you will never recover. I taught with Elaine many of her teaching years at Buford High School and spoiled her children, Erin and Anna. She was always a loving, soft spoken person who never had a harsh word to say about anything or anyone. Her kind spirit will always remain in my memory. May God bless you and keep his arms around you during this trying time.

“ *Al, girls, & family,
I taught with Elaine for 25 years & we shared so many good, bad, & ugly times. She was a kind & giving person to her friends, family, & students. Her faith was always strong even to the end. She will be missed, but she will never be forgotten. I recall the BHS Christmas parties at my house, sitting in the teacher's lounge, teaching across the hall from her, taking the girls for ice cream at DQ in the Mustang, & other memories flood through my mind. So many of her friends will mourn her loss with you. If I can be of any help in any way, I am there! You all have & will continue to be in my prayers.*

“ *Mrs. Cleveland was my English Teacher, when I attended Buford High School. She was a lovely lady who was loved by many of her former students.*

She aspired us to be much more than just average. Aspiring us to reach to our fullest potentials. She was quite fond of her students even after they graduated.

Her warm smile was welcoming to see while walking down the halls.

She was a true gem and will be missed by so many.

To her family, friends, former students, and all who knew her, I offer my sympathy. We have lost a very dear soul and we will truly miss her.

Thank you Mrs. Cleveland, It is with love, I sign this book for you. I loved you very dearly.

“ *Al, Erin, Anna, and Elaine's family,*

Elaine was such a wonderful daughter, wife, mother, teacher and friend. I'm not sure how we will all get along without her, but Elaine would want us to keep moving forward each day and want us to make a difference in the world each and every day. We must try to live as Elaine lived her life - always with a positive attitude and being kind and loving to everyone. Elaine was my very dear friend for over 30 years, so I share your sorrow. Please know that I will always be happy to help you in any way - because I love you and want to, and I also know Elaine would do anything for my family if the situation were reversed.

“ I just realized that all my thoughts of Elaine are happy thoughts. She was so proud of her daughters, and shared Erin's wedding photos with us. Lunches in her office at school, on the clandestine side sometimes, were always filled with happy talk. In the upGrade program, designed for students who were behind in their assignments, she always went the extra mile, and I enjoyed helping her, though she did the organization part (organization was one of her strong points :-). When I see her in my head, I see her smiling, and that's the way I will always remember her. Al, Erin, and Anna, my heart is with you in this difficult, difficult time. Elaine was a very special person, and we will all miss her, but we are all so glad to have known her.
