“ *Aunt Elaine was one of the most genuine and kind persons we have known. She was the best of cooks and bakers, always experimenting with some new recipe and perfecting it to make it her own. Aunt Ain loved her flower garden, tending it with care in the hope for a new spring and summer bloom of her favorites! We'll miss our weekend phone calls; exchanging recipes and gardening tips, but will always remember those last visits here in Iowa and the many previous summer trips Elaine and family made to Lake Okoboji and Fort Dodge, IA. Our hearts and prayers go out to Cousins Jeff, Eric, Stacia and family for their loss. All our love to you all, Cous. Doug & Dean*

“ We had only known Elaine for three/four years but always considered her to be a truly good friend. She was such a lovely giving lady who we truly adored.

Each time we met for coffee we would have lots to chat about and would laugh so much. That is how we will remember Elaine, with laughter.

Our main home is in England and last August I was very seriously ill so was unable to make the Fall visit to the US. We returned to the US the following Spring and Elaine was the first person to come and give me the biggest of hugs - I will always remember that, she cared just as we did about her so her untimely and sudden death has been quite difficult to deal with.

We will miss her terribly but she will always be in our hearts and we have our lovely memories as well.

Goodnight & Godbless Elaine
