“ *Dear Ralph and Corey and family, My prayers goes out to you for comfort. I know she will be missed more than words can say. I loved her and the time we spent at Shadowbrook Baptist Church singing in the choir. I miss those days.
I know she is happy where she is now with Kim. We all have to go through this and only our Lord can see us through it. God be with you and Corey and family and give you strength and faith that all will be together again.*

“ Although we had only known Elaine for a short time, we felt like we had known her for years. Her warm, sweet smile just seemed to say "I care about you - I want to be your friend". She was easy to get to know and now it saddens us that we won't be able to build on the friendship we began here on earth. However, it is a comfort to know that without a doubt, we will continue that friendship some day in Heaven.

We will miss her too.

“ *Seems like just yesterday when I and my many cousins, including Elaine played at Ma & Pa Davis' old farm. What wonderful memories and what a wonderful lady Elaine grew up to be. Even today when I visit my mom there's always a cheerful card or letter from Elaine and her sisters. Just another example of her kindness and caring.*
