“ *I had the great pleasure working with Libby at EHS. We were in the same office and I truly enjoyed working with her. Her children were her pride and joy. May God Bless them and give them peace at this time. The picture of Libby is exactly how I remember her. She worked in the P.E. Department in the am then came over in the afternoon to the Career Center where she was the Work Experience Clerk for Mrs. Jacqui Havens. In between jobs she would change clothes always looking very professional. What a kick to work with and a heart full of love for all. God Bless you all, Roberta Brazelton.*
