“ My Name is Vicky Lorimer, I am From United Kingdom. i am hear to give testimony of how i got back my husband, we got married for more than 9 years and have gotten two kids. thing were going well with us and we are always happy. until one day my husband started to behave in a way i could not understand, i was very confused by the way he treat me and the kids. later that month he did not come home again and he called me that he want a divorce, i asked him what have i done wrong to deserve this from him, all he was saying is that he want a divorce that he hate me and do not want to see me again in his life, i was mad and also frustrated do not know what to do, i was sick for more than 2 weeks because of the divorce. i love him so much he was everything to me without him my life is incomplete. i told my sister and she told me to contact a spell caster, i never believe in all this spell casting of a thing. i just want to try if something will come out of it. i contacted Dr Illeh for the return of my husband to me, they told me that my husband have been taken by another woman, that she cast a spell on him that is why he hate me and also want us to divorce. then they told me that they have to cast a spell on him that will make him return to me and the kids, they casted the spell and after a week my husband called me and he told me that i should forgive him, he started to apologize on phone and said that he still love me that he did not know what happen to him that he left me. it was the spell that Dr Illeh casted on him that make him to come back to me today, me and my family are now happy again today. thank you Dr Illeh for what you have done for me i would have been nothing today if not for your great spell. i want you my friends who are passing through all this kind of love problem of getting back their husband, wife , or ex boyfriend and girlfriend to contact illehspell@gmail.com or illehspell@yahoo.com and you will see that your problem will be solved without any delay.

“ I was greatly saddened to hear of Beth's passing. Our thoughts and prayers go out to her family. While I knew her and Scott only casually, as I was Jonah's busdriver for four years when he was in Elementary School, it was very evident they loved their children. You could always count on one or both to be at the bus stop, morning and afternoon. They will be truly missed and kept close in our hearts until we meet again. “ I am so sorry for this loss you have suffered! We can find so much comfort from the Bible. Psalm 34:18 tells us that God is "near to those broken at heart". He also promises to permanently remove the pain you now feel. Revelation 21:3,4 says He will wipe out every tear from our eyes and death, mourning, outcry, and pain will be no more!! Yes God cares for us so deeply. May he comfort you as you endure this most painful time!

“ Beth was one of my daughter's pre-school teachers at Notre Dame. She talked fondly of "Miss Law" and always said she was very helpful to the children.

She relayed a sweet story about Miss Law combing her hair for her on school picture day.

This is a terrible loss, and her family is in our prayers.
