“ *My condolences to Beth's family. I worked with her at Scientific-Atlanta, Cisco and I enjoyed working with her on many projects. She was always enjoyable. She was very excited about retiring and always said she'd spend all her time with her horses.*

“ *My sincere condolences for the loss of your loved one. Death is truly an enemy and soon Jehovah God will eliminate it permanently and resurrect those lost in death. In fact, he yearns to do so. It is his promise and he cannot lie. May his promise bring you comfort. (Job 14:14,15)*
